

**STATEMENT OF INTERNAL CONTROL
FOR THE YEAR ENDING 31st MARCH 2024**

1. SCOPE OF RESPONSIBILITY

Wye with Hinxhill Parish Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control, including the preparation of the accounting statements as required by Section 1 of the Annual Governance and Accountability Return (AGAR) – Annual Governance Statements and its 9 ‘assertions’.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council’s policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The Council has in place a set of Standing Orders and Financial Regulations, which set out the general rules applicable to council and committee meetings and in carrying out the council’s business. These two documents are reviewed on a regular basis and influence the system of internal controls in place.

The system of internal control has been in place at the Council for the year ended 31 March 2024 and up to the date of approval of the AGAR and, except for the details of significant internal control issues at section 5 of this Statement, accords with proper practice.
